

Preferred Power Products, LLC – REACH Policy

July 13, 2021

REACH is a European Union regulation concerning the Registration, Evaluation, Authorization and restriction of Chemicals. It came into force on June 1, 2007 and replaced a number of European Directives and Regulations with a single system.

Hazardous chemicals are defined as Substance of Very High Concern (SVHCs) and are listed on the European Chemicals Agency (ECHA) website.

[http://echa.europa.eu/chem\\_data/authorization\\_process/candidate\\_list\\_table\\_en.asp](http://echa.europa.eu/chem_data/authorization_process/candidate_list_table_en.asp)

I can confirm that the products supplied under the “Preferred Power Products (P3)” brand conform to current REACH Regulations and do not contain any of the harmful substances controlled under it’s restricted substance list.

Paul S. Davidsson

President
